## FROM THE PRESIDENT: RON COATES

Don't forget our monthly meeting will now be held the second Saturday of the month. The meeting time will be from 2:00 pm to 3:00 pm, this will give us time to have our meeting and then drive from the Stockyard Lodge to Risky's for our show.

A special thanks to everyone who participated in helping with our first show it turned out really great. Everyone came together and did a great job. I think everyone like the plaques. Thanks Gary & Glenna good job. We had some good comments about how we run our shows. I would like to welcome some new members to our club they are Greg & Ginger Compton, John George, Gordon Shaw and Mac Belmontes  
Thanks, Ron Coates

**From the Desk of the Editor:**

*I would like to **thank** those who submitted an article for the newsletter. Without the articles and other information from our members, we wouldn't have a newsletter.*

**Thought for the Day**

If God had a refrigerator, your picture would be on it.  
If He had a wallet, your photo would be in it...  
He sends you flowers every spring.  
He sends you a sunrise every morning.  
Face it, friend - He is crazy about you!

God didn't promise days without pain, laughter without sorrow, sun without rain, but He did promise strength for the day, comfort for the tears, and light for the way.

**FROM THE CRUISE MASTER  
CHARLIE ROBERTS**

Hello everyone from the hi-tech pc of cruise master "C" (thanks Pat and Gary for the hip title). So far we have been to Crandle,Tx for breakfast at the Cotton Gin and Oklahoma to the Catfish Platter for lunch. Both trips went well and encourages us for more cruises. Our next cruise will be on March 27th to Mineral Well for a spring festival/car show. Proceeds from the car show are to benefit the Faith Covenant Youth Group. Entry fee is \$15, which will include some sort of added goody. We will leave from the QTat Denton Hwy and Glenview at 11a.m. We will travel non-highway roads this trip so bicycles and strip cars should have no problem joining us (who knows, maybe my Ford will be unbroken by then and I can drive too). Please join us and let's make a big club showing. Any suggestions for cruises would be appreciated, otherwise you are all the mercy of me, yes me and my complicated sophisticated thinking machine of a mind. Scary, isn't it. Hope to see and anyone you can drag with you Saturday,

Charlie Roberts

**On The Lighter Side**

Ability is a good thing, but stability is even better.

What did the Teddy Bear say when offered dessert?  
"No thanks, I'm stuffed!"

Repetition does not establish validity.

Remember, the tea kettle; though up to it' neck in hot water, it continues to sing.

Trying to squash a rumor is like to unring a bell.

There is always something to be thankful for. If you can't pay your bills, you can be thankful that you are not one of your creditors.

**REMEMBER OUR CLUB MEETINGS
